

**AQUATIC RESOURCES AUTHORITY OF PANAMA  
INTERNATIONAL COOPERATION & HIGH SEAS FISHERIES AFFAIRS**

**Technical Circular ARAP/IFA/TC/005/2020**

To:	Vumpa system users
Subject:	Additional Information of Prior Notification of entry to Port for VUMPA
Ref.:	ADM / ARAP Resolution NO. 034 of December 21, 2017 and Law 43 of 2016 on the Agreement on the Port State Measures of FAO

Dear users of the VUMPA system, given that several of the ports registered in the VUMPA system, are ports authorized by the Aquatic Resources Authority of Panama (ARAP), for the unloading of products from the fishing of national or flag vessels foreign and in compliance with the Port State Measures, the following has been considered:

1. Use the following form or template “**Additional Information of Prior Notification of Entry to Port for VUMPA**”, since the information contained in this form is an extraction of the general information contained in the prior notification form of Entry to Port, in compliance to the Port State Measures of FAO.
2. The information requested in this form is not contained in the request for information required by the VUMPA system.
3. This form only applies to prior notifications of entry to the ports registered in the VUMPA system.
